

Farmer's Night Held At Stirling Rotary Club Well Attended

Doug. Tipper, County of Hastings Agricultural Rep. Gives Interesting Address

Mr. Doug. Tipper, local Agricultural Representative for the Hastings County Department of Agriculture and Food was the guest speaker at the Stirling Rotary Club's Annual Farmer's Night on Tuesday, November 29th. The meeting took the form of a dinner meeting at the "Stirling" Hotel at 6.15 p.m. Each member of Rotary had a farmer with him as a guest.

The speaker began his most interesting talk by defining the word "Communications", which he pointed out meant being able to talk on a common level. Mr. Tipper went on to say that we, in Ontario, don't realize how well off we are. The largest and most important industry in Ontario is farming. Ontario is also the leading agricultural province in Canada, with some 80,000 commercial farms.

The agricultural representative went on to point out that farmers were good customers of local business men. Farming today demands a large investment and the big question asked by most farmers is "What income will I receive from this investment?" Twenty years ago a producer grew enough food to feed himself and eleven other people. Today the average is thirty. He reminded his listeners that all have a stake in farming.

Looking to the future, Mr. Tipper said that sound financing would be required and there would also be fewer farms. He prophesied that there would still be the family farm, but these would be much larger and more complex and produce considerably more per acre. He also expected some small farm companies would be formed and a greater use would be made of marketing boards.

The speaker was introduced by Rotarian Graham Mouck and thanks were expressed by Rotarian Stewart Cooke.

President Art Loucks welcomed the visiting farmers and a lively sing-song was led by Rotarians Don Williams and Rudy Klompaker.

Letter To The Editor

To whom it may concern:

The person who hit our dog with his car or truck early Sunday morning and left him on the street to die — why couldn't you have notified us? Anyone on this street could have told you where we live. I hope you are proud of yourself for killing a little boy's pet. Would you do the same to a child?

And to all the speed maniacs — in case you haven't noticed, this street has 30 m.p.h. signs. I hope you will smarten up before you hit a child or other person. Then it will be too late.

Signed,
Mrs. F. J. Green, Church St.

Bouquets of white 'mums and pink gladioli graced the altar.

Given in marriage by her mother and father, the bride wore a gown of silk organza enhanced with re-embroidered French lace and featuring an Empire style bodice, adorned with seed pearls. The pencil-slim lace skirt was highlighted with an overskirt of organza forming a V at back and sweeping into a chapel train, and the waist was outlined with hand-made roses. The Hastings County 4-H program for 1966, with respect to agricultural clubs, came to an end Friday night, November 25th, as the annual Awards' Night was held at the Centre Hastings Secondary School in Madoc.

The guest speaker for the program was Paul W. Crouse, of Oakville, president of the Ontario Institute of Agriologists and also a staff member of Master Feeds.

Directing part of his address to parents and part to 4-H club members, Mr. Crouse defined the needs in education at all levels, ranging all the way from the producer to the consumer.

He challenged young people to use every type of assistance to establish their goal in life at the earliest possible age. The initial goal should be a formal education, although in actual practice the process of learning continues all through life.

Outstanding Member
Karlvin Sharp, R.R. 3, Stirling, was adjudged the outstanding member during his membership in 4-H agricultural work. High boy of the year was John Murray, R.R. 1, Stirling, and high girl of the year, Dianne Gunning, R.R. 2, Tweed.

The outstanding Club of the year was the Stirling 4-H Calf Club.

Stressed 4-H Work
Valedictorian for the awards night programme was Karlvin Sharp, who stressed the importance of 4-H Club work in training young people for later life. "This is true," he said, "whether or not interest remained in agriculture."

Karlvin is now enrolled in the first year diploma course at the Ontario Agricultural College in Guelph.

The valedictorian referred to the 4-H Leadership Week at Guelph stating that his attendance had been very rewarding. No one had been more surprised than himself to be chosen from 51 boys to have the honour of representing Ontario at Michigan State last summer. The two weeks program had been a four-scale physical, mental, social and religious training.

Grant Ketcheson, as president of the County 4-H Leaders Association was chairman for the evening. Mrs. Douglas Farrell acted as pianist.

Hastings Historical Society

Again many of the Stirling County Historical Society members missed a pleasant and rewarding evening at the regular November meeting.

Mr. Shore, Chairman of Belleville Centennial Committee, illustrated by chart how programs were organized in Belleville for Centennial Year. This will enable many surrounding organizations to keep very important dates clear for local programs. He outlined the important shows that the cheese industry is having, which will be interesting to this area.

Doll Collection Displayed

Miss Mary Moul, who has a collection of 100 dolls, brought a few special ones to illustrate the changes in dolls, from those carved from material at hand or made out of cloth or corn husks, to more modern. Some of these 100-year-old dolls were still dressed in very old-fashioned material and style. The first manufactured dolls were made from purchased heads only, and dressmakers were often hired to make the body, stuffed with sawdust and perhaps leather arms and legs. The first painted dolls had no pupils in the eyes and, of course, no moving eyes.

Miss Moul will be displaying her dolls at the museum for the Christmas display.

Illustrated Talk On Toys

Mr. Tom Ransom, who always has a varied, interesting and amusing collection to pick from, illustrated his interesting talk on toys. There will also be a display at the museum.

The growth of toys from wind-propelled, introduction springs and other types, was very interesting, especially for Christmas displays down through the years. The story of Christmas trees, Christmas celebrations and Santa Claus covered a period of history.

Fashions for Centennial

Mrs. G. D. Williamson illustrated "Fashions for Centennial". Fashions did not change so quickly or were there so many kinds of material to choose from, but people were always interested in the "fashion of the time". One style led to another, through variations of hoops, crinolines, trains and bustles. Some of these will be made at the Museum for loaning out, as people have wrong ideas of the styles for 1867. Some books of patterns are being sold which have many mistakes and are not true to the year.

Watch for notice of the Museum displays for December and 1967.

Royal Scarlett Special Meeting

The Royal Scarlett Chapter of Districts Nos. 1 and 3 Centre Hastings held a special meeting recently in Spring Brook L.O.L. Hall, with a large number of members and visitors present, including the Degree Team of Oshawa. They conferred the Degree on a class of candidates.

The Chapter was also honoured by the presence of the Grand Master of Ontario East, Bro. Godfrey Barr, of Camden East; also P.G.M. Bro. Fred Bateman, P.G.M. Bro. Lorne Hagerman and other Grand Lodge officers.

Lunch was served at the close of the meeting and a social hour enjoyed by all.

1967 Licence Plates And Vehicle Permits Now Available

Ontario's 1967 licence plates and vehicle permits were made available from Thursday, December 1st, for passenger cars and station wagons. Transport Minister Irwin Haskett has announced. Motorcycle plates will be available by December 19th.

The plates and permits are on sale at all licence issuing offices throughout the province.

The 1967 plates have been special-

ly designed to mark the observance of Canada's Centennial. They will have white lettering and numbering on a blue background and will carry the lettering "19 Ontario 67" on the top and "18 Confederation 67" on the bottom. The licence numbers will be separated by a crown, instead of a dot as in previous years.

Expiry date for present plates — and the final day for getting 1967 plates — will be Tuesday, February 28th. Mr. Haskett said there definitely would be no extension beyond this date.

For commercial vehicles, trailers and conversion units, 1967 plates will go on sale March 1st and the expiry date for current plates will be March 31st. This procedure is the same as it has been for the past three years. For these vehicles, plates will continue to be available on a quarterly basis as well as for the whole year.

On and after December 1st, 1966, the Uninsured Motor Vehicle Fee was raised from \$20 to \$25.

next time
you blow a fuse
remember these
facts before you
blow your top

1 When a fuse blows it is a signal that you have overloaded part of your electrical system... a circuit.

2 If your home's electrical system is not adequate to serve all your needs you'll notice other symptoms: Lights may dim from time to time, your toaster will take longer to toast, and appliances with motors may appear sluggish.

3 If your home is more than 10 years old, the chances are your electrical system requires updating to take care of today's requirements. There are now more than twice the number of appliances used in the home than ten years ago.

SOLUTION

It is not necessary to put up with the inconvenience caused by an out-dated electrical system.

Have your household wiring examined soon. See how easily your home can be modernized electrically.

BENEFITS

1 You can use as many appliances as you wish at the same time... without giving fuses a second thought.

2 You can add any number of new time-saving appliances to your home.

3 Your appliances will operate more efficiently and with less strain on motors.

4 You can enjoy the convenience of having all the electrical outlets you desire. You will avoid the inconvenience of

unsightly extension cords and the attendant risk of overloading the outlet.

5 Additional comforts such as electric heating and air-conditioning can be easily accommodated.

6 Modernizing your wiring system will make an important difference to the safety and resale value of your home. Re-wiring can be handled with little disturbance to your home and at a cost far less than you may think. Contact a qualified electrical contractor, soon. Or call your Hydro.

Where heaving of plants is likely to happen, it can be prevented by mulching the soil after it has frozen in late Fall. The mulch should be thick enough to "insulate" the soil against the thawing effect of mild spells.

Carols Enjoyed At Senior Citizens' Club

A pleasant afternoon was spent by the members of the Senior Citizens Club of Stirling and District in the Masonic Hall Thursday, Dec. 8th.

After the regular period of cards and games, a Christmas Carol singing session was enjoyed with Mrs. Nora Stapley at the piano and Mr. Geo. Heasman directing. All present were able to get into the act, thanks to the large print carol cards supplied by Bob Patterson. We also have a supply of carol song sheets provided by Mr. Farley Farnell, Mutual Life Agent.

Thanks to the Legion who sent another 12 euchre decks of cards. There have been some suggestions from the members regarding a variation of programmes after the holiday season. A discussion regarding this will be held and if time permits a film will be shown.

A happy feature of this as all other meetings was the welcome refreshments served by the ladies.

Senior citizens are again reminded in Stirling and district that they will be made welcome at these friendly gatherings each Thursday afternoon from 2 to 4 p.m.

Merchants Ready For Christmas; Santa Claus To Be Here Saturday

Local Stores Stocked With First Quality Merchandise For Christmas Shoppers

Once more, Christmas is with us. And once again the residents of Stirling and vicinity are faced with the problem of Christmas shopping. Every member of the family expects that Santa Claus will make his annual appearance. From the youngest to the oldest, there is a feeling of expectancy; Santa Claus or no Santa Claus, the spirit of Christmas must be upheld.

To this end, Stirling merchants are putting forth a united effort to make the Christmas shopping season an easier and more enjoyable one. The local stores are attractively decorated, windows are gaily adorned and literally shine forth with news that within are items attractively priced for Christmas buyers. Shelves are stacked high with all those articles of wearing apparel and household necessities that anyone could desire.

No Christmas season has found the local merchants more prepared to serve than the present one. No finer stocks have ever graced windows and store-rooms. Bright, new, attractive goods, well-displayed, carefully chosen, and reasonably priced are to be found on every hand. Buyers should peruse the advertisements in this issue and shop where they are invited to shop.

Santa Claus Coming

Santa Claus will arrive in Stirling on Saturday, December 17th and stay until Wednesday night, the 21st. This year, instead of holding the community Christmas treat on a Saturday, local merchants have arranged for Santa to pay a visit at all the local stores and give out treats. This way, it is hoped Santa will have more time to talk to all the boys and girls in Stirling and district.

Free Skating

Also on the agenda will be free skating at the Arena on Saturday afternoon, December 17th. The local Arena Committee is giving this ice time free of charge and it is hoped that a large number of Stirling and district children will take advantage of this free skating.

Store Hours

For particulars of shopping hours in Stirling, readers are urged to see advertisement on page seven of this issue.

Stirling-Rawdon District High School 1966 C.O.S.S.A. Football Champions

The Golden Hawks from Stirling-Rawdon District High School had a very successful football season as illustrated by the three trophies they won.

November 5th saw the Stirling team travel to Whitby to win a hard fought game by a 18-6 score.

The final game against Lakeland was played in Stirling on November 12th. Stirling won by a decisive 16-0 score to capture the C.O.S.S.A. Senior "B" trophy.

Ontario Farmers' Union Convention

The Ontario Farmers Union 15th Annual Convention was held at Club Canara, Belleville, recently. The convention drew delegates from as far north as Timmins, west to Fort William, south from Essex and as far east as the Ottawa Valley. The attendance was higher than ever before with a total registration of 664. Walter Miller, 2nd Vice-President, acted as chairman for the convention, and Gordon Hill, Past O.F.U. President, along with Ellard Powers, 1st Vice-President, were co-chairmen. Reports were presented to the convention by all elected officials. All reports showed a busy year, and an

increase in negotiating power by the farmers when they meet with government.

Mrs. Grace MacInnis, M.P., Vancouver Kingsway, spoke to the convention. She spoke of the high price consumers are paying for agricultural products in comparison to producer prices. She spoke of her position on the committee studying food profits.

There were several constitutional amendments, one of these concerning the raising of membership dues from \$10 to \$20 per year. The convention passed this amendment and it will now be dealt with at the local level.

During the Convention over 75 resolutions were dealt with. Most of these indicated a cost-price squeeze the farmer was in and they recommended solutions to these problems.

A banquet was held at Club Canara and Robert Corbett, CBC-TC Farm news personality, was the speaker. He had recently been to England to study their National Farmers' Union in England, Ireland and Wales. The Farmers' Union is the only voice representing farmers and does so very effectively. The Farm Union in England is respected by the government as the voice of the farmers and they have on their staff the best brains of the land for research and recommendations. His speech was educational as well as thought provoking.

On Thursday evening the social evening and dance were enjoyed by several hundred delegates and guests. Addressed by Minister Agriculture

Hon. Wm. A. Stewart addressed the convention on Friday morning. He mentioned the farmers' cost-price squeeze and suggested more should be done to educate the consumer to

the producer's problems. He made mention of the committee appointed at Vineland to study ways of increasing farm income.

Roy Atkinson, President of the National Farmers' Union, said "I suggest you not spend time quibbling about who should represent farmers but spend more time building an efficient instrument that will represent the farmers and you will show by your actions that you do indeed represent their best interests." Mr. Atkinson also congratulated the farmers for their actions this year in putting their tractors on the highways.

The following officers were elected at the convention for the coming year:

John Dolmer, President; Veronica Upsitnik, Lady President; Ellard Powers, 1st Vice-President; Shirley Reid, Lady 1st Vice-President; Walter Miller, 2nd Vice-President; Helen Thompson, Lady 2nd Vice-President.

ENCLAVES OF COURAGE

The banter around the table might come from any group of young people. Look more closely and you will notice that some are in wheel chairs and that the mechanics of eating are not as automatic as with most of us.

These men and women have multiple sclerosis, today the greatest cause of chronic disability in the 20 to 45 age group. It strikes suddenly, and it usually stays. The sheath covering the nerve fibres has deteriorated and scarred so that impulses can't get through to the muscles properly. There are about 25,000 victims of this "creeping paralysis", as it is used to be called, in Canada.

To date there is neither treatment nor cure, but little enclaves of courage, the 30 chapters of the MS Society, believe that a better day is coming. Through them sufferers find therapy in sharing their common problem. With other members (often families and close friends) they also raise money for research.

The able-bodied go home from a multiple sclerosis meeting invigorated, too. They see here the marvellous resilience of the human spirit. The valour of those who might give up and don't — shouts, in this day of steel and pushbuttons, that man's inner core is not something that can be mass produced and picked off an assembly line. For an hour or so they have glimpsed the marvel and the mystery of hidden depths.

MS sufferers need our backing. They should have better disability pensions without the humiliation of a means test. If you know any suffering from this disease suggest that they contact the Multiple Sclerosis Society of Canada, P.O. Box 1214, Station "O", Montreal. It will alert them to any breakthrough, medical or economic.

Do your best to keep them participating in community life. A drive around town, a shared movie, concert or church service, helps shift the burden of courage, for a little while to another shoulder.

KEEP YOUR

Choose a place for the tree which will not block access to doors or windows in the event of an emergency.

Hold it! Before you set up the tree, cut one or two inches from the butt. Then set it in water. Crushed stone in a suitable container will keep it steady.

Remember to replenish water regularly throughout the Christmas Season. You may need to add more than a pint a day.

Insulation of lighting strings should be checked for damage and possible short circuits. If buying new lights, be sure they are C.S.A. approved.

Smoking near the tree is foolish and dangerous. Keep cigarettes and matches at a safe distance.

Tinsel and other decorations should be non-inflammable. Don't deck your tree with added fire dangers!

Make sure that matches are kept out of reach of children, and never leave young children unattended even for a minute!

Always clear away discarded gift wrappings promptly from the tree area. Even a moist tree will burn if ignited by such a fire around its base.

Switch off the tree lighting when you go to bed, or whenever you leave your home.

Growing 'Welfarism'

Today's new morality and new theology must surely lead to the paraphrasing of the famous Biblical text, adapting it to accommodate Canada's growing welfarism:

"The government is my shepherd. I shall not want. It maketh me to lie down on the job, it leadeth me beside the still factories. It destroyeth my initiative and ambition, it leadeth me in the paths of unemployment for politics sake. Yea, though I walk through the valley of inflation and deficit spending, I will not fear hunger, for the welfare agencies will feed me, their generosity and their staffs, they comfort me. They prepare the forms that provide the doles and unemployment insurance."

By mortgaging the future earnings of my grandchildren, my refrigerator runneth over. Surely the taxpayers shall care for me all the days of my life; and I shall dwell in the house of the parasite forever, protected by Social Security and Medicare."

**W. E. Sandercock
Given Testimonial
Dinner**

The man who has represented **West Hastings** at **Queen's Park** for the past 18 years, rolling up substantial pluralities in each of the five elections contested, never did learn to be a politician.

This was the admission last Thursday evening by 72-year-old **Elmer**

"Sandy" Sandercock as he accepted the speaker at a testimonial dinner held in his honour at the **Royal Canadian Legion Hall, Belleville**.

Mr. Sandercock is retiring from politics and will not enter his name at the **Progressive Conservative** party nomination for the new **Quinte** riding. He will, however, serve out his present term in the **Legislature**.

Ontario Premier John Roberts, as the speaker of the evening, said that in his nearly 20 years as a member of the **Legislature of Ontario** "Sandy" had participated in all of the great changes of this period.

Mr. Sandercock received a handsome colour TV from his party supporters, a scroll in recognition of his many years at **Queen's Park** and a copy of "Mosaic of Belleville".

But it was the evening's guest of honour who stole the show.

Accepting the plaudits and the gifts **Mr. Sandercock** said it was nice hearing such fine things being said about him.

With tongue in cheek he joked, "If I had known I was such a good man, I would never have quit."

And then in serious vein, he expressed his appreciation to his supporters for keeping him in politics for so many years.

Over the years, he said, he had heard a lot about politicians but never had learned to be one.

"When election time rolled around I would drive up and down the road but would become so busy visiting that I would forget all about politics," he said.

Letter To The Editor

The following comments concerning the motor traffic situation on Church Street are made in support of a point raised by the writer of the letter published in last week's issue, whose children had suffered the loss of a fine canine pet.

Ever since the re-surfacing of this street it appears to have been looked upon by many of the automobile drivers using it, as a speedway. Time after time I have stood appalled at the reckless speed of passing cars.

Church Street is a purely residential road, entirely within the village limits, and is used daily by a large and increasing number of Public and High School children. Under these circumstances there is absolutely no justification for foolhardy speeding that goes well over the established limit of 30 m.p.h. — which in itself is more than enough for what is largely a school zone.

The road signs denoting the speed limit do not appear to be having the desired effect, possibly because there are only two of them, one of which is poorly placed. If in addition to the

one at the west end of the street a sign was placed at the east end in the vicinity of the High School, and if the one now at a point about half way along the street was placed in a more prominent position, the situation might be remedied somewhat.

Very soon now, police departments across the country will be calling for safer driving. Reasonable speeds, at least within the village limits, would go a long way toward achieving this, and to eliminating the possibility of a tragic accident.

This is not too much to shoot for, even without the added incentive of the fast approaching Centennial Year.

F. W. Houchin

A Letter To The Editor

I have recently read all the controversy over the necessity of another doctor in Stirling. I don't need to comment on which side of the carpet I stand. Anyone in this vicinity, which does not only include the village of Stirling, but a large group of surrounding centres, knows that the situation is pathetic. But a short time ago, two doctors were run off their feet in this village. How now can we

expect one man to handle that number of patients?

I very highly commend Mr. Hogle for the action he has taken. Mr. Hogle, an outsider, came to Stirling and bought out a business, the most honourable way a business man can come into a town and already is taking a hand on behalf of all the people of the district. This too has shown to a very great degree that he does not put business first.

It seems to me that it would be of great interest to the governing bodies of Stirling to have been looking after this matter just as soon as they realized that Stirling had been left in the lurch. I feel that it is the duty of these groups to try to keep every issue in line. When a doctor was needed some attempt could have been made to find out about the ways and means of getting another doctor.

I think the people could have felt perhaps some interest was being taken, had it not been that our reeve has boldly made the statement that the situation isn't desperate. It is desperate. Just go to Dr. Briggs' office at anytime and see how many patients are in waiting plus the calls coming in on the phone wanting him to call at homes for ones unable to come to the office. Pardon my language as I put it, "the man is run rag-

ged."

We hear so much about keeping your business in Stirling. Right now there are a good number of people, right from this village, going out of town for doctoring. Is that helping business? I go to a Campbellford doctor and it has greatly surprised me recently to see the people in the waiting room there from Stirling. Remember, these people are not going to Campbellford because they have any objection to Dr. Briggs. Their comment is the same as mine. "How can I, a patient of a former doctor, ask a doctor who has as many patients of his regular practice, plus emergencies, plus the former doctor's patients who haven't a means of getting to an outside doctor, to take on another patient? I have more respect and feeling for Dr. Briggs than that."

Everytime a person goes out of town to a doctor, they not only go for medical attention but are very apt to do a little buying while there. I know people will always go outside to do a certain amount of shopping, but when there is a condition in their own town which warrants them going elsewhere, they are quite apt to shop elsewhere out of spite alone.

One might say we don't need those people's patronage anyway. However, when we say that we're only fooling

ourselves because the small villages in this day of speed and progress need every bit of business they can get.

At this time I would like to see our reeve, and the remainder of our council, the Chamber of Commerce in its entirety get with Mr. Hogle and Dr. Briggs and try to bring another doctor into Stirling. People far and wide have great respect for this village. Let's all join in this issue to not only make the town bloom with the love that people have for it, but strengthen it as can only be done by covering the physical and mental needs of all the people who have their pride and joy in Stirling.

Health Tip From The Canadian Medical Assoc.

THE COMMON COLD

The best thing to use for the common cold is common sense, says the Canadian Medical Association.

Emphasizing that, as yet, there is no real cure for mankind's most common illness, a physician once said a vigorously treated cold lasts two weeks while an untreated cold lasts 14 days.

To avoid the complications of a cold, which include ear infections, sinus infections, bronchitis and pneumonia, the sufferer is wise to stay home and away from others and their germs, the C.M.A. advises. A routine of extra rest and fluids with an ordinary diet should be followed. For the relief of acute symptoms there are many safe antihistamines and vasoconstrictor nose drops available on your doctor's prescription. For persistent or tight cough, steam is easily obtained and usually helpful.

The Association suggests that if the sufferer develops ear pain, face pain, a sore throat with increasing fever, or chest pains, he should suspect the development of a complication and notify his doctor.

When a person has a persistent cold or frequent colds, it is advisable to seek advice from his doctor to determine the presence or absence of allergies, infections or other causes of cold-like symptoms.

The spread of cold can be prevented by avoiding the close proximity of people who have them. Colds are spread from person to person by tiny droplets propelled by coughing, sneezing or talking. These do not usually travel far — about four feet — and close conversation and crowds are the usual situations in which colds spread.

Hostess River Valley W.I.

Mrs. Sheldon McIntosh was hostess on December 1st for the Christmas meeting of River Valley Women's Institute with twenty members and two pre-school children in attendance.

Christmas lights and decorations added to the occasion and a large decorated box was filled with gifts for mental health patients and will be delivered to Mrs. Hurst at Belleville for distribution.

Mrs. Glenn Bush opened the meeting and welcomed the group. Mrs. J. L. Donohoe gave a report on the new chairs and tables purchased. Roll call was most interesting as the members gave accounts of their Christmas gifts of other years.

Programme
Mrs. John Kane presided over the Christmas programme and opened with a special message.

Mrs. Albert Wilhelm read a paper on the motto and stressed that the happiest people are those who find time to help and work for others. For a fuller meaning of Christmas it is necessary to help in some way to bring sunshine to others.

Several carols were sung during the programme.

Mrs. Roy Bush gave a message on the theme "Christmas in Canada in 1867," which was a description of customs in those days.

Mrs. Ernest Carr read a paper prepared by Mrs. J. Beswick on the theme "Christmas in Canada." In pioneer days, Christmas was marked with as lavish a dinner as the winter supplies allowed. Great changes have come about in our system of living as we look back over the years, but we still have the spirit of good will that starts in advance of the festive season and lingers on into the new year. This spirit is symbolic of a greater generosity — God's giving of Christ to mankind.

What a wonderful thing if the spirit of peace, love and brotherliness could last for 365 days instead of just one week.

Mrs. Harry Morrow contributed two organ selections and Mrs. Kane closed her programme with two poems one of which was "The Ballad of the Holly."

Mrs. Percy MacMullen, for Public Relations, displayed a booklet entitled "Adeleide Hoodless, Woman With A Vision." She gave a brief outline of the first Northern Convention held at Inuvik, which is a new town nine years old and was built out of the bush and is now the government show place of the north.

As Friendship Link Secretary, she read a letter of thanks from Abbot's Leigh W.I. Secretary Mrs. E. K. Coombs for the parcel of embroidered handkerchiefs which had been received in November as individual gifts for the members in England.

Items on Home Economics and Health and Historical were read by Mrs. Wilhelm and Mrs. Norman Rosebush.

A message was read by the ACWW.

Secretary and Ralph Tucker gathered the Pennies for Friendship. The Silent Auction held in November amounted to \$8.35 for this fund.

Mrs. Roy Irvin announced that the Achievement Day for the 4-H Club Girls will be held at Nicholson Catholic College, Belleville, January 7th and the project completed was "Meat in the Menu."

Mrs. Roy Tucker gave a splendid outline of the recent Historical meeting held in Belleville, when several centennial plans were suggested.

The January meeting based on Citizenship will be held at the home of Mrs. Ernest Carr.

The catering at the Hickson Livestock Sales Barns is scheduled for February 6th.

The correspondence included a message from Toronto re the training school in block printing.

A letter re a two-day trip to Expo gave an outline of this package trip. Anyone interested should contact the President.

Centennial symbol spoons will be ordered; also centennial lapel pins. These will be gold and blue for the members and gold and green for their families.

The older folk in the community will be remembered at Christmas.

The members of the Home Economics and Health group served ice cream, hot mince tarts and cookies as a special Christmas lunch.

Mrs. Roy Tucker voiced thanks to all who had contributed to a successful afternoon.

Mrs. Elwood Bateman and Mrs. Russell West conducted the devotional period which was based on the Scripture, Philippians, chapter 4, verses 4-7. The hymn "What A Friend We Have in Jesus" was sung and a prayer and offering closed the meeting.

A pot luck dinner was enjoyed at the home of Mrs. Gerald Russett on December 1st, at 12.30, followed by the meeting, opened by Mrs. Beckett at 2 p.m., with a call to worship and prayer by Rev. Cox.

votional with prayer.

1967 CENTENNIAL YEAR

Stirling once again is progressing upward on the stairway to Centennial Year celebrations under the chairmanship of Ted Cairns. I would like to ask all of our customers to support Ted and his committee in this program. Taking part in celebrations next year will make you more aware of your community and Canada than has ever been possible before in this century. As a member of the community, you are the key to 1967.

Canada's annual Safe-Driving Week is over for another year. By stressing defensive driving techniques during this week, the Canadian Highway Safety Council hoped to make motorists aware of every known safe driving procedure so that they will better remember and practise them for the other 51 weeks of the year. We at Bell Canada — at least all of us who drive our own cars on business or the familiar green vehicles — well know the importance of driving defensively. All of us who do any driving as part of our work at Bell Canada must take and pass a pretty rugged Company course even though we have provincial driving permits. And, in recent years, this course has stressed defensive driving. Really, defensive driving is little more than common sense. It means learning how to recognize potentially dangerous situations, learning how to avoid them, then putting this knowledge to use. Since 42 percent of the people surveyed in connection with The Canadian Drivers Test television program some time back failed the test, it seems that few people know where danger lurks. With winter setting in with its snowstorms, sleet, ice and sub-zero temperatures, defensive driving becomes more important than ever. Driver Improvement courses have been held in many parts of the country this year and more are planned for the months to come. Driving conditions have changed drastically since many of us received our first permits, and a fresh look at our driving habits could make motoring safer and more enjoyable on our crowded streets and highways. And, it could make for a happier holiday season, when so many people will be travelling to join families and friends for Christmas and New Year's celebrations.

On Christmas Day, 35 years ago, telephone lines carried the first radio broadcast of a complete opera — "Hansel and Gretel". It was transmitted coast-to-coast from the Metropolitan Opera House in New York.

Best Wishes for a Very Merry Christmas

MR. AND MRS. DONALD GERALD McKEOWN
McKEOWN — KISH WEDDING

Rev. J. Hoskin officiated at a recent wedding of interest in Queen's Street United Church, Kingston, when Ellen Jane Kish, daughter of Mr. and Mrs. Donald Kish, Catarague, became the bride of Donald Gerald McKeown, son of Mr. and Mrs. Leslie McKeown, of Marmora.

Traditional wedding music was played by Mr. Parr Christie, who also accompanied the soloist, Mr. A. McCue, who sang "I'll Walk Beside You" and "The Lord's Prayer".

The bride, given in marriage by her father, was attired in a floor-length white gown, featuring a lace bodice with rounded neckline and lily-point sleeves. Layers of chiffon formed the bouffant skirt, enhanced with tiers of chiffon in the back, ending in a train. Her shoulder-length veil was caught by a cluster of white petals and chiffon and she carried a cascade of white roses, tangerine roses, stephanotis and ivy.

Attending the bride were Mrs. Judy Decker, of Kingston, as matron of honour, Miss Marilyn Corbin, Cloyne, and Mrs. Dorothy Fullock, of Morven, as bridesmaids. They were gown-

ed alike in green peau de sole in floor-length gowns and carried cascades of tangerine carnations.

Little Misses Judy Allen, niece of the bride and Robin McKeown, sister of the groom, were flower girls. They were dressed in bouffant floor-length dresses in a soft gold colour and carried nosegays of Zorian rosettes and brown-eyed daisies.

Mr. Robert Way, Kingston, attended the groom and the ushers were Mr. Bradley Brummel, of Belleville, and Mr. David Kish, Catarague.

A reception was held in the Church Hall where guests were received by the bride's mother, who wore a double knit beige dress with jacket, brown accessories and a corsage of orange delight roses. The groom's mother assisted, dressed in a green cut velvet suit, matching hat and black accessories and corsage of gold rose buds.

For her honeymoon, the bride chose a blue suit and hat with black accessories and corsage of candy-striped carnations.

The young couple will reside in Kingston at 297 Helen Street, Apt. 9.

The Praying Hands

Editor's Note: This year our postage stamps depict "The Praying Hands" for the Christmas Season. The following lines by Helen Steiner Rice are on this subject:

The "Praying Hands" are much more than just a work of art. They are the "soul's creation" of a deeply thankful heart —

They are a Priceless Masterpiece that love alone could paint, And they reveal the Selflessness of an unheralded saint —

These hands so scarred and tollworn, tell the story of a man Who sacrificed his talent in accordance with God's Plan —

For in God's Plan are many things man cannot understand, But we must trust God's judgment and be guided by His hand —

Sometimes He asks us to give up our dreams of happiness, Sometimes we must forego our hopes of fortune and success —

Not all of us can triumph or rise to heights of fame, And many times What should be Ours goes to Another Name —

But he who makes a sacrifice, so another may succeed, Is indeed a true disciple of our blessed Saviour's creed —

For when we "give ourselves away" In sacrifice and love, We are "laying up rich treasures" in God's kingdom up above —

And hidden in garbled, tollworn hands is the truest Art of Living, Achieved alone by those who've learned the "Victory of Giving" — For any sacrifice on earth, made in the dear Lord's name, Assures the Giver of a Place in Heaven's Hall of Fame — And who can say with certainty Where the Greatest Talent Lies Or Who Will Be the Greatest In Our Heavenly Father's Eyes!

**St. Paul's UCW
General Meeting**

The December meeting of St. Paul's
United Church Women was held on
Tuesday, December 6th in the Sunday
School rooms, which had been decorated
for the coming festive season.
The 1st Vice-President, Mrs. Don
Williams, welcomed all and read a
poem "Put Christ Back in Christ-
mas," followed with prayer.

Members of Unit 1 led in an inspira-
tional devotion period, based on the
Christmas stories which were read by
Mrs. Gordon Bailey. Responses to
the lessons were given by Miss Doris
Sine, Mrs. Harold Douglas, Mrs. Ed

Fleming and Mrs. Bert Jones. Each
one lit an Advent candle. During the
service a duet, "Come Thou Long
Expected Jesus," was sung by Mrs.
Bruce Small and Mrs. Robert Hultin
and eight members of the Junior
Choir sang a Huron Christmas carol.
Programme

For the programme Mrs. Allan
Wells gave a reading "Keeping
Christmas" and introduced a film,
"Peace on Earth," which showed the
difference between the time of Jesus'
birth and the so-called peace of the
present time. The members discussed
ways of promoting peace by helping
people in other countries all we can
and by speaking of peace in our own
surroundings. How can we make
Christmas more Christian? Could we
not hold services and share our din-
ners with the elderly and the lonely?
We could attend church and rededi-
cate our lives to Christ and have
family worship services. Are we do-
ing our part to hasten peace? To do
His will we must take peace, write
peace and pray peace.

During the business, six recom-
mendations were read from an ex-
ecutive meeting, including sending
two boys, Bob West and Jean de Jong
to Five Oaks for a teen-age confer-
ence during the Christmas holidays.
A letter of thanks was read from the
depot in Toronto for the bales re-
ceived. A letter of resignation was
accepted with regret from Mrs. Cecil
Macklin as assistant leader of Unit 4.

It was reported that over 400
church calls and 250 personal and
hospital calls had been made during
the year. The next general meeting
will be held Jan. 3rd.

After roll call the meeting was
brought to a close with prayer. A
vote of thanks was extended by Mrs.
James Boughen to the hostess, Mrs.
Roy Tucker and members of her unit
for the lunch of fruit jello and tea
biscuits.

**Rylstone W.I.
Christmas Meeting**

Mrs. Stanley Kerr entertained the
members of Rylstone Women's Insti-
tute in her home for their Christmas
meeting. There was an attendance of
20.

Mrs. Lindsay Anderson, President,
was in charge of the business, which
included a letter from the Mental
Health Association, to which a dona-
tion was made. Mrs. Stanley Kerr
and Mrs. Eldon Anderson were cho-
sen as leaders for a training school
on block printing to be held in Jan-
uary. A pot luck dinner is being ar-
ranged for January with quilting of a
quilt top, on which tickets were sold
at the rummage and bake sale recent-
ly held by the Institute in Campbell-
ford. The draw will be made in Feb-
ruary.

Mrs. Ernest Irwin gave a progress
report on the Centennial Park pro-
ject. Tickets were sold on a piece of
driftwood, finished and decorated by
Mrs. Irwin. Winner was Mrs. Mur-
ray Melkejohn.

The meeting was convened by Mrs.
Ernie Rowe. The topic, "Christmas
in Other Lands," was put on by Mrs.
Don Stewart and was very interest-
ing. Readings were given by Mrs. E.
Rowe, "Before and After;" Mrs.
Albert Tinney, "For You and Christ-
mas;" and Mrs. Hector Arnold,
"Thoughts of Christmas." Mrs. Frank
Osborne conducted a "Jumbled
Christmas Carols" contest.

There was a gift exchange and a
display of Christmas gifts and de-
corations.

The National Anthem brought the
meeting to a close and lunch was
served by the hostess and committee.

**Pop-Out Stamp
Seller For
Pooped Out Buyers**

(By The Canadian Press)

The post office has taken the work
out of getting the stamps out of its
vending machines.

That little handle patrons had to
pull out after putting the quarter in
has been placed in "a new, improved
stamp vending machine".

Pop a coin in the new machines
and the stamps pop out. The only
physical labour involved is holding the
two bits to the machine.

Proudly announcing the break-
through the Post Office said in a
statement recently: "There is no
handle to pull and no dependence on
electric power."

The new machine has withstood
temperatures from 35 below to 100
above in extensive field trials.

One of these new machines is in
operation at the Stirling Post Office.

STIRLING HORTICULTURAL SOCIETY

Store dormant plants in trenches by covering them with soil until conditions are favourable for planting. For winter storage dig trenches from east to west on well drained, bare ground. Make the north side verticle and the south a long slope. Across slope, lay single layer of plants, roots towards verticle end, only tops extending beyond soil level. Cover roots and stems almost to top with soil.

Hum's Restaurant Opened Sunday

Mr. and Mrs. Tom Hum, owners of the new Hum's Restaurant, were officially welcomed to town on Sunday. Although they did not open until nearly five o'clock in the afternoon, the restaurant was full for the evening meal, with many take-out orders reported.

Senior Citizens' Club

It came as no surprise to the Senior Citizens' Club of Stirling and District that the Council, citizens and societies of the district gave it support, but it was a pleasant surprise to see some form of gift and service every week meeting.

Last week, the I.O.D.E. presented the Club with an electric tea kettle and a group of ladies from St. Andrew's Church provided and served refreshments.

The members of the Club wish to thank all these good people; to let them know their kindness is appreciated and wish them all a Merry Christmas and a Happy New Year.

The Club will be open for the final Thursdays of the year but because of the holiday season will not serve refreshments.

The Winter season will commence Thursday, January 5th, with a full program and all Senior citizens in the district are invited and will be made very welcome.

The Story of Jesus

"Oh, tell me the story of Jesus."
A little child whispered to me,
As together we sat by the fireside,
And gazed at the bright Christmas tree.

So, I told him the story of Jesus,
How in Bethlehem's manger He lay;
How Heavenly hosts sang the story,
"Your Saviour is born today."

How the Angel had said unto Mary,
(Though scarce he could take it all in)
That she should call His name JESUS,
Because He would die for our sin.

How with fear, the Shepherds did tremble,
When the Light shone 'round about them;
How they came to worship the Christ-child,
In the stable in Bethlehem.

How His star had guided the Wisemen,
To the place where Prophets foretold,
How they gave Him their gifts most precious,
Of frankincense, myrrh, and gold.

Then, I told him why the Lord Jesus,
Had come from His throne far above —
'Twas to die on the cross-tree to save us,
Because of His wonderful love.

Myrtle Broadworth,
Stirling, Ont.

Christmas Tree From District Shipped To Bahamas

A tree from this district will brighten Christmas for many in the Bahama Islands this festive season. A couple of weeks ago, a large 18-ft. pine tree, perfect in every detail, was cut on the farm of Maurice Clancy, in the Holloway district. This tree was then transported to Toronto by Cooke Cartage, Stirling, where it was flown to Florida. From there it was placed in a refrigerated compartment of an ocean-going boat destined for Antigua in the Bahama Islands.

Arrangements for shipping the tree were made by the Black Diamond Cheese Co., Belleville.

I.O.O.F. Tea And Bazaar

A successful Tea and Bazaar was held by members of Stirling Oddfellows' Lodge at their Hall on Friday, December 9th.

The tea room was gaily decorated in a Christmas atmosphere and a large quantity of baking and farm produce was available for sale.

During the evening, Santa Claus paid a visit and gave presents to all the boys and girls present.

Two draws were made, one on a turkey, which was won by Mrs. Harold Johnson, Stirling, and one on a cheese, won by Mrs. Wilbert Kellar, of Harold.

Winners of Draw

In the recent Christmas Draw held by the Stirling Fire Fighters, first prize went to Marjorie Reycraft, R.R. 2, Campbellford, and second prize to Blythe Wannamaker, R.R. 2, Holloway.

46th Wedding Anniversary

Mr. and Mrs. Arthur Keegan, Mill St., are quietly celebrating their 46th wedding anniversary today (Wednesday). Mrs. Keegan is a patient in the Maple Haven Nursing Home, Belleville.

Bert Jones Wins Top Awards

Congratulations are extended to Mr. Bert Jones, of Bert Jones Bus Sales, Stirling, who was the recipient of two outstanding awards at the International Blue Bird Bus Dealers' Convention held at Atlanta, Georgia, recently.

Mr. Jones won the President's Award for outstanding representation during the year 1966. He was also successful in exceeding his quota and was presented with a "Quota Buster's Club" plaque. This is a special award for achieving his sales goal during 1966. This is the third year in a row that Bert has won these honours.

He received his trophies at the Atlanta Convention.

66th Anniversary

Mr. and Mrs. Frank Stapley, Stirling, will celebrate their 66th Wedding Anniversary on Christmas Day.

91% Taxes Collected

Clerk-Treasurer W. L. Pollock informed the News-Argus this week that 91% of the Village taxes were paid by December 15th. This seems like a very enviable record in the fact that at a recent County Council session it was noted that several municipalities in the County have a large arrears in taxes.

Schools Close For Holidays

The local High and Public Schools will close Thursday for the regular Christmas holiday period and will re-open on Tuesday, January 3rd, 1967.

60th Anniversary

Congratulations are extended to Mr. and Mrs. William Wilson, 77A Front St. E., who will observe their 60th Wedding Anniversary on Christmas Day.

Local Juveniles Edge Tweed

A goal by left winger Peter Utman, with less than six minutes to play in the game, gave Stirling Juveniles a narrow 2-1 triumph over Tweed.

Bobby Chesher, Frankford's gift to the locals, scored the other Stirling marker early in the game. Tweed's lone goal came with only five seconds left in the first period.

Earl McFaul played a strong game in goal for the locals turning back a couple of Tweed scoring threats late in the game.

Juveniles — E. McFaul, goal; defence, R. Wellman, L. Jeffs, D. Short, G. Bateman; forwards, B. Chesher, D. Potts, D. Ray, P. Utman, K. McConnell, G. Thomson, R. McIntosh, W. McMullen.

Men's Five Pin Turkey Roll

Monday night, December 19th, was the annual turkey roll at the Stirling Bowl-O-Drome for the Men's Five Pin League.

High single rolled was on Ron Williams 300 and high triple Orlando Townes' 796 for the first two turkeys. The others were hidden scores (with the actual triples in brackets): 701, George Noble (730); 642, Aurel Renout (648); 586, Ken Wood (589); 637, Ron VanLaven (540); 499, Chester Miller (498); 448, Ralph Park (447).

Thanks to Bob Hulín for drawing up the hidden scores.
Don't forget, fellows, there is league bowling next Monday night, so go easy on the turkey and trimmings.

Glass Front In Arena

A pleasant change has taken place at the Stirling-District Centennial Arena during the Fall and past few weeks. A new heated canteen has been installed, along with new wash-room facilities.

One main feature of renovation has been the installation of a glass front along the playing area. This greatly enhances the appearance of the Arena. Parents and hockey fans will now be able to watch their favourite teams play from a heated glass-fronted portion. The Minor and Centre Hastings hockey teams are playing a good brand of hockey and deserve better support at the gate. Make it a New Year's resolution to be a hockey booster in '67.

One sour note has been brought to our attention. The new washrooms, which have been opened for little more than two weeks are badly defaced. We wonder what would happen if these same people acted in this way in their homes.

Much time and hard work has been put into making the Arena an attractive place and it is hoped that the young people will appreciate the effort.

Public School Board Meeting

Gage Ltd., \$23.60; Stirling Lumber Ltd., \$27.61; G. B. Noble, \$2.89; Franklin Coach Lines, \$94.40; Ryserson Press Ltd., \$24.60; Jack Hood Ltd., \$186.16; Science Research Associates Ltd., \$208.17; Wm. Bolte, \$64.70; Warren Motors, \$3.00; H. E. The Board also approved of the Principal arranging a trip to Expo 67 in June for Grade 8.

The next Board meeting will be held on January 3rd, 1967, at 7.30 p.m.

Principal Edmund Fleming expressed the appreciation of the Staff and himself to the Board for their co-operation in 1966.

House League Hockey This Sat.

House league hockey will start at the Arena this Saturday afternoon from 1.30 to 3.30 p.m. for Bantam and Midget age players. This league is for Stirling and district youths not playing on a regular team.

Receive Sentences For Local Break-In

Robert Arthur Smullen, 22, of Hastings, Ont., was sentenced to 2-year's suspended sentence and ordered to post a \$200.00 bond, and Melvin Richard Smullen was given a 1-year definite and 2 years less a day indefinite sentence. The two brothers were tried by Judge J. C. Anderson in Belleville on Tuesday of this week.

The pair was arrested by Chief of Police C. E. Hicks and O.P.P. officers on the Town Line, west of Stirling, following a reported break-in at F. A. Armstrong & Son Lumber in the early hours of October 20th. The stolen goods were all recovered.

Mrs. Percy MacMullen presided over the Christmas programme and opened with a selection entitled "The Christmas Spirit". She also read an article re carols, which stated that many of our oldest carols have no known history. Many fine new carols have been written but the best loved are those that have come down to us through the centuries.

During the service, eight carols were sung and Mrs. MacMullen gave a descriptive account of their origin. Mrs. Garth Joslin led in the singing of the last four carols which closed the programme.

Mrs. Donald Knight conducted the devotional, centred around Matthew, second chapter, and closed with a prayer by Kagawa. Mrs. Robert Merrick and Ms. Raymond McConnell assisted with the devotional.

Vocal solos were given by Mrs. Marguerite McMullen and Mrs. Thomas Sables. Christmas selections were read by Mrs. Robert H. Hoard and Mrs. Percy MacMullen.

The President expressed thanks to the convenors and closed the meeting. Following refreshments, Mrs. James Hoard voiced thanks for hospitality.

Senior Citizens Honoured By Spring Brook UCW

On December 8th Spring Brook United Church Women catered to a banquet served to the senior citizens of the area. This is the third consecutive year that this event has been held. The women were presented with corsages and the men pens.

Mrs. G. Williams was the master of ceremonies. Readings were given by many present. Mrs. J. Thompson showed a coloured film on Prince Edward Island.

The senior citizens look forward to this event each year and the Spring Brook UCW are to be complimented on this fine gesture.

HASTI-AGRI-GRAM

The Farm News Letter of Hastings County

FARMSTEAD IMPROVEMENT WINNERS

The Hastings County Farm Safety Council, sponsors of the Farmstead Improvement Centennial Competition wish to announce the awards made. They are as follows:

Heath, R.R. 1, Stirling; Best Farmstead Entry, \$25.00, Chauncey Sills, Roslin; Most Improvement in Approach, \$25.00, Ridley E. Wallbridge & Sons, R.R. 3, Belleville; Most Improvement in House Yard, \$25.00, Ralph Clements, R.R. 1, Harold; Most Improvement in Farm House, \$25.00, Basil Kuglin, R.R. 1, Foxboro; Most Improvement in Barnyard, \$12.50 (tie), Ross Ketcheson & Son, R.R. 1, Moira, Chauncey Sills, Roslin; Most Improvement in Farm Barns, Ross Ketcheson & Son, R.R. 1, Moira; Honourable recognition, \$10.00, Henigan Rush, Stoco; Honourable recognition, \$10.00, Wilfrid Forestell, R.R. 3, Madoc.

The presentations were made at the time of the Annual Meeting, December 8th, in Stirling. All 13 competitors' families were invited to a luncheon banquet. Guest speaker for the occasion was the judge, R. Banbury, of Brighton. He also made the presentations. Annual meeting business was carried out during the course of the event. Election of officers saw Ridley E. Wallbridge, of Belleville, R.R. 3, elected President and Ross Carlisle, Stirling, R.R. 3, Vice-President.

QUINTE STEER SHOW AND SALE

During the Fall months, the executive of the Hastings and Prince Edward Beef Improvement Association plus the cattle committee of the Belleville Fair Board have been developing plans for the Beef Steer Show and Sale of considerable size. Included in the program will be the determination of rates of gain and the history of the feeding system used. There are classes for senior exhibitors, junior exhibitors and the rate of gain class. Top prize money is \$45.00. It is an open competition. Publicity so far has gone to the members of the Beef Improvement groups in the four Quinte counties, also to the 4-H members in the four counties who would be entitled to enter the feeding project. Extra rules and entry forms are available from the Ontario Department of Agriculture and Food Offices in Stirling and Picton. An exhibitor may enter a total of two steers. Entries must be made by the 1st of April.

PLOWMEN'S ANNUAL MEETING

The Hastings County Plowmen's Association held its Annual Meeting on December 14th. The same executive was returned to office for the second year, with Harry Coulter, R.R. 2, Tweed, as President; Kenneth Mumby, R.R. 2, Harold, as 1st Vice-President; Wilfrid Forestell, R.R. 3, Madoc, as 2nd Vice-President. Provincial Director will be Kenneth Mumby again. The successful plowing match of 1966 was reviewed. It was agreed that in 1967 the policy of keeping the match in a central area would be continued. As a result, the site will be again be selected in the West Huntingdon area.

The decision was also made to continue the discussions of the United Farm Service Organization. For the county, suggestions in this field would include such things as a joint annual meeting under the general chairman, perhaps a feature banquet and a general membership rather than one for each of the various groups. Within this framework, the Plowmen's Association, the Soil and Crop Improvement Association, the Safety Council and the Beef Improvement Association could easily operate and maintain their purposes and identity. Their programs would be coordinated to the advantage of all

concerned. It will be discussed further as the season progresses.

SOIL AND CROP ANNUAL MEETING

Plans for this event in Hastings County are only tentative at the moment and it will likely be sent within the first two weeks in January.

Spring Brook UCW

The Christmas meeting of the Spring Brook United Church Women was held on Thursday, chaired by the President, Mrs. G. McFaul.

The hostesses were Mrs. Orrie Barton and Mrs. Clayton Burkitt. The manger scene and decorations were beautiful. The roll call was a favourite Christmas Carol.

The worship service was in the form of a Canadian friendship carol service. Mrs. R. Wellman read the meditations. Christmas carols are sung in nineteen languages. The first candle lit by Mrs. G. Broadworth was for the good will and friendship of the Jews of Canada. The second candle lit by Mrs. R. Shortt, for the Canadian Indians and Eskimos. The third candle, for the French Canadian people, lit by Mrs. O. Barton. The fourth candle for the people whose ancestors came from other countries lit by Mrs. J. Thompson. The fifth candle, for fellow Canadians, lit by Mrs. S. Downer, and the sixth candle for Christian love, lit by Mrs. D. Bateman. Appropriate Christmas hymns were sung. The offering prayer was dedicated by Mrs. G. Thompson. The summary of our Lord's law was read by all.

The only officer change was Mrs. M. Bateman as her two years has expired. Mrs. R. Wellman was inducted by Mrs. Apps as the new Secretary.

Mrs. K. Thompson gave a number of Christmas readings.

The next meeting on January 5th will be Family Night, preceded by a pot luck supper. Films will be shown.

Christmas Concert at St. John's Church

St. John's Sunday School held their Christmas Concert on Wednesday evening, December 14th, in the Parish Hall, with a good attendance. The traditional Christmas tree, attractively decorated and lighted, drew the attention of the happy children and their parents. Rev. F. F. Downing acted as chairman.

Carol singing, recitations, duets and a skit by the Nursery Class was the entertainment. Bill McArton provided music on the piano for the musical numbers.

Santa arrived, to the merriment of the children, with a huge bag of gifts and treats for all.

On his departure, Santa reminded everyone of the less fortunate children in the world. "If we could, in some way, remember them this festive season, our Christmas would be a more happy one."

Presentation Party

Neighbours and friends in the com-
munity gathered at the home of Mrs.
W. Harlow on Saturday afternoon to
honour Mrs. Ron McCrory and Mrs.
Fred Gorgenot with a miscellaneous
shower.

A short programme was enjoyed
with readings given by Mrs. F. Stap-
ley, Mrs. C. Fitchett and Mrs. B.
Stapley.

An address expressing best wishes
was read by Mrs. Harlow.

The prettily wrapped parcels re-
vealed gifts of linen, sheets, pillow
cases, tablecloths, china crystal and
kitchenware and were passed around
the room for all to view.

The recipients thanked their friends
and all joined in singing "For They
Are Jolly Good Fellows." Lunch was
served.

**Christmas Program
At River Valley**

Unit 5 of St. Paul's U.C.W. was
hostess to the community on Sunday
evening, December 11th, at River
Valley school house which was suitably
decorated. Approximately ninety
people gathered to sing carols and
take part in a Christmas programme.
This has been an annual event for
the last few years.

The president, Mrs. Ralph John-
son, was in the chair for the first
part and opened with hymn 594,
"Praise Ye Praise Ye, All the Little
Children". She read a beautiful
Christmas poem. Mrs. Johnson made
some appropriate and interesting re-
marks and gave a warm welcome to
all Mrs. J. L. Good, secretary, gave
a concise but interesting resume of
the work and after leading in prayer,
the president called on the pro-
gramme convenor to conduct the pro-
gramme.

Mrs. Roy Bush, on behalf of the
committee, Mrs. Jack Bush and Mrs.
Johnson, welcomed all from the vari-
ous churches and faiths. She also re-
marked on how fitting such an even-
ing was on the eve of Centennial be-
cause 100 years ago, and for several
years before and after, this commu-
nity met regularly in the school house
for religious services. This also re-
flected on that time when neighbours
of former years often dropped into
the homes on Sunday evening to sing
many of these same old familiar
hymns around the parlour organ with
the aid of the coal oil lamp. The
Christmas message has not changed.

Since the theme for the evening
was "Love came down at Christmas
and glory shone around", the pro-
gramme opened with the hymn "Tell
Me the Old, Old Story".

Many children were present, as it
was family night, and took part in an
exercise where each explained in
their child-like way as they depicted
the love, sacrifice and importance of
that first Christmas. They consisted
of: The Angel, Joyce Carr; manger,
Steven Bush; Mary, Susan Bush;
Shepherds, John Bush; Wise Men
Tom Johnson; gifts, Robert Bush;
inn-keeper, Keith Brooks; the lonely
sheep, Gary Utman; carols, Dick
West, who after his comment, played
on his trumpet, "Hark, the Herald
Angels Sing"; The children at Christ-
mas, Kevin Brooks, after which all
sang "Away in a Manger"; The Christ
Child, Janet Duffin, who reminded all

that it was the Christ Child who
brought this peace and love that we
especially honour at Christmas and
who is the centre of our Christmas
celebrations. She closed with Luke,
verses 31, 32 and 33.

At this time the star appeared, high
above all, as Ivan Johnson represent-
ed the star and Mrs. Glen Brooks
sang "Star of the East" as all stood
in their places around the Babe in the
manger. Each were suitably dressed
and carried something to represent
his part. Miss Marilyn Conley was
pianist for the evening.

Mrs. Ernest Carr closed the exer-
cise with prayer.

Mrs. David Duffin led in a beauti-
ful candle-lighting service, explaining
the different national carols. As
each candle was lighted, that partic-
ular carol was explained and sung
by all. Several Juniors sang the In-
dian, our first Canadian carol. Tak-
ing part in the candle lighting were
Trudy Bush, Maria Heasman, Jane
Bush, Mrs. Ralph Utman, Mrs. Good
and Mrs. Glenn Bush.

A quartet, Grant Richardson, Har-
ry Brown, Ralph Johnson and Jack
Bush, sang two beautiful numbers.

The Rev. J. B. Small, as guest
speaker, made some very interesting
and timely remarks on "The love that
came down at Christmas and brought
the Christmas message very close to
each and everyone". After prayer,
Rev. Small led in several Christmas
hymns and carols, with all taking
part.

Mrs. Jack Bush thanked all who
had taken part and especially thank-
ed the officers for the year just clos-
ing. She invited all to stay for a
Christmas lunch, which was daintily
served by the lunch convenors, Mrs.
Gerald Brooks and Mrs. E. Carr, and
their committee.

**Christmas Meeting
St. James C.W.I.**

On Thursday, December 15th, the
Catholic Women's League held their
Christmas meeting with a good at-
tendance.

It was decided that gifts and cards
be sent to those who are ill. A box
was prepared to be sent to a young
girl in the Smiths Falls Hospital.

Two card parties are planned for
the month of January.

A cheque was presented to the
pastor for Parish work and expenses.

It is planned that the World Day
of Prayer be held at St. James'
Church in February, 1967.

Mrs. Stan Meeks reported on her
preparations for the treats for the
Parish children.

Christmas readings were given by
Mrs. Joe Forestell, Mrs. Gerald Ker-
by and Mrs. Roy LaChapelle. A
Christmas game followed and the
meeting closed with prayer.

The group then sat down to a love-
ly lunch, prepared by Mrs. J. R. Don-
ohoe, with the assistance of her
daughters and Mrs. J. L. Donohoe,
Mrs. Joe Forestell and Mrs. James
Lagrow. Afterwards, gifts were ex-
changed and the evening concluded
with members wishing each other a
Merry Christmas.

BELLEVILLE DETACHMENT

From December 4th

To December 10th, 1966

Officers of the Belleville Detachment of the Ontario Provincial Police worked 1,299 duty hours and patrolled 15,449 miles of Provincial Highways and other roads. Twenty-one hours were spent in Court.

Thirty charges were preferred in connection with all statutes and sixty-eight warnings were issued for traffic offences. There were forty-eight convictions in Court.

Officers investigated thirteen property-damage and three personal-injury accidents in which three persons were injured. On Wednesday, December 7th, 1966, Wayne D. Menzie, of Trenton, was seriously injured when the car he was driving was struck by a C.N.R. ore train at the Batavia level crossing.

Two compassionate messages were delivered by members of the local Detachment.

There were no breaking and entering but five thefts were reported and investigated. There were three complaints of family problems investigated.

On Sunday, December 4th, Dennis Robert Sharpe, son of Mr. and Mrs. Kenneth Sharpe, R.R. 1, Plainfield, accidentally wounded himself while hunting pigeons on his father's farm.

Never leave parcels, clothing, cameras or other items of personal property in a parked vehicle. The temptation for a thief is great if he sees an expensive camera lying on the seat of your car. Place all personal property in the trunk prior to parking. If you must leave your keys in the car, leave only the ignition key. Keep the trunk key in your possession.

MADOC DETACHMENT

From December 5th

To December 10th, 1966

Officers assigned to criminal detail investigated 32 occurrences during the past week. These included four reports of thefts and two of breaking and entering.

Five youths are now awaiting trial at the Belleville County Jail following the theft of a number of articles from Austin Mayer's residence, at Sulphide, Ontario. One of these youths also faces several charges for the breaking and entering of the Sul-

A number of cottages on the south shore of Crowe Lake have been reported broken into. If any person has seen any suspicious vehicle or person in this area, any assistance would be appreciated and any information received would be considered confidential.

Mrs. Anne Jenkins died as a result of burns suffered in a barn fire at her residence in Rawdon Township.

Of the nine traffic accidents investigated three resulted in injury to four persons, none seriously. Forty-five vehicles were checked during the week, twenty-three warnings issued and seventeen charges laid.

Fifteen convictions were registered in Magistrate's Court, 13 for traffic, 1 for liquor and 1 criminal.

Total duty hours numbered 505 with 4,355 miles of area roads patrolled.

Several days of cold and slippery weather were experienced about one week ago and it soon became evident that a number of drivers must mend their ways if they are going to survive the Winter.

Even to the casual observer, the long careening skid marks on the highways indicated that some people have to winterize their driving as well as their cars. The best Winter safety rule is — "Slow Down".

Eggleton UCW

Mrs. McMullen introduced the guest speaker, Mrs. Kenneth Weaver, President of the Belleville Presbyterian UCW, who spoke on "If I Had Only Known." Mrs. Bruce Stapley thanked the speaker and presented her with a small gift.

Several carols were sung during the meeting.

Mrs. Harlow announced the Carol Service for the Charge at Thomasburg Church on Christmas Eve. The Church Service for all four appointments will be held at Molra Church on December 25th at 10 a.m.

Lunch was served, followed by an exchange of gifts.

A pot luck dinner will be held on January 12th at the home of Mrs. W. Harlow, with the regular monthly meeting during the afternoon. Programme will be in charge of Mrs. B. Stapley.

MR. AND MRS. MICHAEL VOSKAMP

VOSKAMP -- SCHOLTEN WEDDING

Ebenezer Christian Reformed Church, Trenton, was the setting recently, when Martha Scholten, daughter of Mr. and Mrs. R. Scholten, Stirling, was united in marriage to Michael Voskamp, son of Mr. and Mrs. J. Voskamp, Trenton, R.R. 4. Rev. R. Popma was the officiating clergyman, while Mr. Dick Wikkerink provided traditional wedding music and accompanied the soloist, Mr. Paul Lamm.

Given in marriage by her father, the bride wore a white, floor-length gown of peau de soie with the Empire styled waist with long fitted sleeves. The back of the dress was highlighted with a sweeping lace

train which extended from the shoulders. A bouffant veil was caught with a floral headress adorned with pearl tear drops. She carried a bouquet of yellow roses.

Mrs. Betty Shannik, of Stirling, was matron of honour, wearing a floor-length three-piece gown of gold peau de soie, featuring an overblouse adorned with lace, with a lace wedding ring headress and carried a bouquet of bronze 'mums. The bridesmaids, Miss Ann Hayring, of Oshawa, and Mrs. Harry Voskamp, of Trenton, were dressed similarly to the matron of honour, but in blue and each carried a bouquet of blue tinted 'mums. The little flower girl was a niece of the bride, Miss Darlene Shannik, who wore a floor-length gown of gold peau de soie with matching headress and carried a tiny basket of white, yellow and bronze 'mums.

Mr. John Voskamp attended his brother, while Mr. Gerald Vanderlaan and Mr. Dick Voskamp, brother of the bridegroom, were the ushers.

A reception was held in the church auditorium where the bride's mother received the guests, wearing a two-piece red and black knit dress with a corsage of red roses. Assisting was the bridegroom's mother, who wore a blue and black brocade sheath dress with a corsage of yellow roses.

Leaving on the honeymoon trip to Toronto, the bride wore a two-piece suit with black and blue accessories and a corsage of white roses.

Upon return Mr. and Mrs. Voskamp will reside at Trenton, R.R. 1.

Bethel UCW

The December meeting of Bethel UCW was held on the afternoon of the 15th at the home of Mrs. Wm. Heath. The President, Mrs. Don Heath, welcomed the members and visitors present and read a short poem, "Christmas."

Mrs. E. McKeown led in the worship service. "It Came Upon the Midnight Clear" was sung. The meditation was based on this hymn. Mrs. L. Reid read the scripture, St. Luke chapter 2. Mrs. McKeown led in prayer. The offering was received by Kim Cooney and Ann Hoover and dedicated by singing the last two verses of "The First Nowell."

Mrs. D. Heath took charge of the business period. Roll call was answered by 14 members and visitors by naming a Christmas symbol. Two members paid birthday fees. Mrs. O. Lightle was appointed Stewardship Convener. Mrs. T. Laycock gave the Treasurer's report which was most gratifying. A pot luck dinner is planned for January 15th. \$10.00 was voted to be sent to the Lay Foundation and the M & M Fund.

The programme included several readings, "The Legend of the Christmas Rose," read by Mrs. Lightle; "Keeping Christmas," by Mrs. McEathron; "The Christ Child Comes Once More," by Mrs. M. Cooney. The carol, "While Shepherds Watched," was sung.

"The Star of Bethlehem Story at Mother's Knee" was read by Mrs. Ketchen, who also gave a humorous reading, "Fran's Christmas Cake." A skit, "The Symbols of Christmas," was given by Mrs. Laycock, Mrs. H. Heath, Mrs. F. Reid and Mrs. W. Cox. "A Little Bit of Christmas," was read by Mrs. McEathron.

Mrs. H. Heath acted as Santa Claus for an exchange of gifts. Mrs. Don Heath closed the meeting with a Christmas Prayer.

*Their quiet ride is worth
a thousand words about quality.*

3 luxurious LTD's

The quiet elegance of the LTD speaks loud and clear for Ford luxury. All three LTD models—2-door hardtop, 4-door hardtop and 4-door sedan—offer conveniences like an automatic transmission that shifts both manually and automatically (standard), and a full-width front seat that divides to adjust individually for driver and passenger. The Ford LTD... a luxury car to rival the top of anybody's line.

2 sporty XL's

The Ford XL is a luxury car for drivers with a sporty turn of mind. Both the 2-door hardtop and convertible offer, as standard, bucket seats and console, plus a spirited 289 cu. in. V-8. A 7-Litre power option includes a 428 cu. in. V-8, power front disc brakes and a sports steering wheel. It's one of the many ways you can add even greater sportiness to the XL's basic luxury.

13 other strong, silent Fords

The Ford line for 1967 also includes roomy wagons, smart Galaxie 500 convertible, sedan and hardtop models, plus four Custom series sedans. All offer basic Ford strength and quietness, plus a wide range of convenience and luxury options. Ford wagons provide, in addition, many exclusive wagon features... like a standard Magic Door gate that swings open for people and down for cargo.

Better ideas from Ford

SelectShift 3-speed Cruise-O-Matic transmission shifts automatically... or, if you choose, lets you shift manually for climbing hills, downshifting to save brakes, pulling trailers, getting extra traction in mud and snow, or just for fun. Remarks

A uniform police funeral was held for the late Chief Constable Samuel Wesley Eggleton, April 21st, 1966, with uniformed Police officers from the Belleville City Police, Trenton Town Police and the Ontario Provincial Police.

Since being engaged as Chief Constable, August, 1963, I have received excellent co-operation from the Ontario Provincial Police, Belleville City Police, Trenton Town Police, Campbellford Town Police, Village Council and the citizens of Stirling.

Since taking office here, we have never had the occasion to use the Juvenile Court.

There are two break, enter and theft cases that have not been cleared, but they are still under investigation.

Respectfully submitted,

Yours very truly,
C. E. HICKS,
Chief Constable,
Stirling Police Dept.

Mr. and Mrs. Mac McMullen Observe Silver Anniversary

Mr. and Mrs. Malcolm McMullen, Stirling, R. R. 3, were tendered a party by their family, at their home on Sunday, December 11th, on the occasion of their Silver Wedding Anniversary, when a large number of relatives and friends were in attendance.

The two daughters, Murriel (Mrs. Gerald Morgan), Port Hope, and Shirley (Mrs. Ralph Carlisle), Stirling, and their son, Jim, received the guests as they arrived.

The bride of 1941 wore a gown of clear velvet, with a corsage of yellow rosebuds and the groom a white carnation. They received the good wishes of their friends in the living room. The immediate family, the attendants, Mr. and Mrs. Ralph McMullen, Batawa, and the bride's mother, Mrs. Percy Brownson, of Marmora, all wore rose corsages and carnation boutonnieres.

The rooms were decorated with an array of silver decorations, bells and white poinsettias. The dining table was laid with a white damask cloth and centred with a three-tiered anniversary cake in white and silver, which had been decorated by Mrs. Angus Mumby, Moira.

Floral china tea services with matching cups and saucers were used for this occasion.

Those who poured were the groom's aunt, Mrs. Percy McMullen, also Mrs. Earl Wallace, Mrs. George Carlisle and Mrs. Sid Morgan. Those who assisted the daughters in serving were Mrs. Gerald Russett, Wellman's, Mrs. Laird McGee, Stirling, and Mrs. Ford Brownson, Foxboro.

The group in charge of the guest book included Misses Patsy and Susan McMullen, Belleville.

Guests were in attendance from Deloro, Madoc, Marmora, Foxboro, Belleville, Batawa and surrounding areas. The honoured couple received a large array of greeting cards which included a message from Rod Webb, M.P. They were also the recipients of numerous gifts which included a silver tea service, from their immediate family; a recliner chair, from the brothers and sisters, and a special gift of linen from the immediate neighbours.

Kathleen Brownson, daughter of Mrs. Percy Brownson, Marmora, and the late Mr. Brownson, and Malcolm Alexander McMullen, son of the late James McMullen and his wife, Pearl Sharp, were married on Friday, December 13th, 1941, in Trinity United Church parsonage, by Rev. Alfred Poulter. Their attendants were Marjorie Brownson and Ralph McMullen. They resided near Spring Brook for several years and later moved to the old homestead, formerly the Alley Sharp farm, near Stirling. They are members of St. Paul's United Church, Stirling and Mrs. McMullen is an officer of Laurel Rebekah Lodge.

On Saturday evening, December 10th, the daughters entertained several members of the immediate families to a turkey dinner at the McMullen home. The guests included Mrs. Percy Brownson, Marmora; Mr. and Mrs. Garnet Brownson, Deloro; Mr. and Mrs. Arthur Brownson, Madoc; Mr. and Mrs. Ralph McMullen, Batawa; Mr. and Mrs. Lorne Balloy, Harold; and Mr. and Mrs. Percy MacMullen.
